

Alternative #4A Geographic Split for Area Code 270

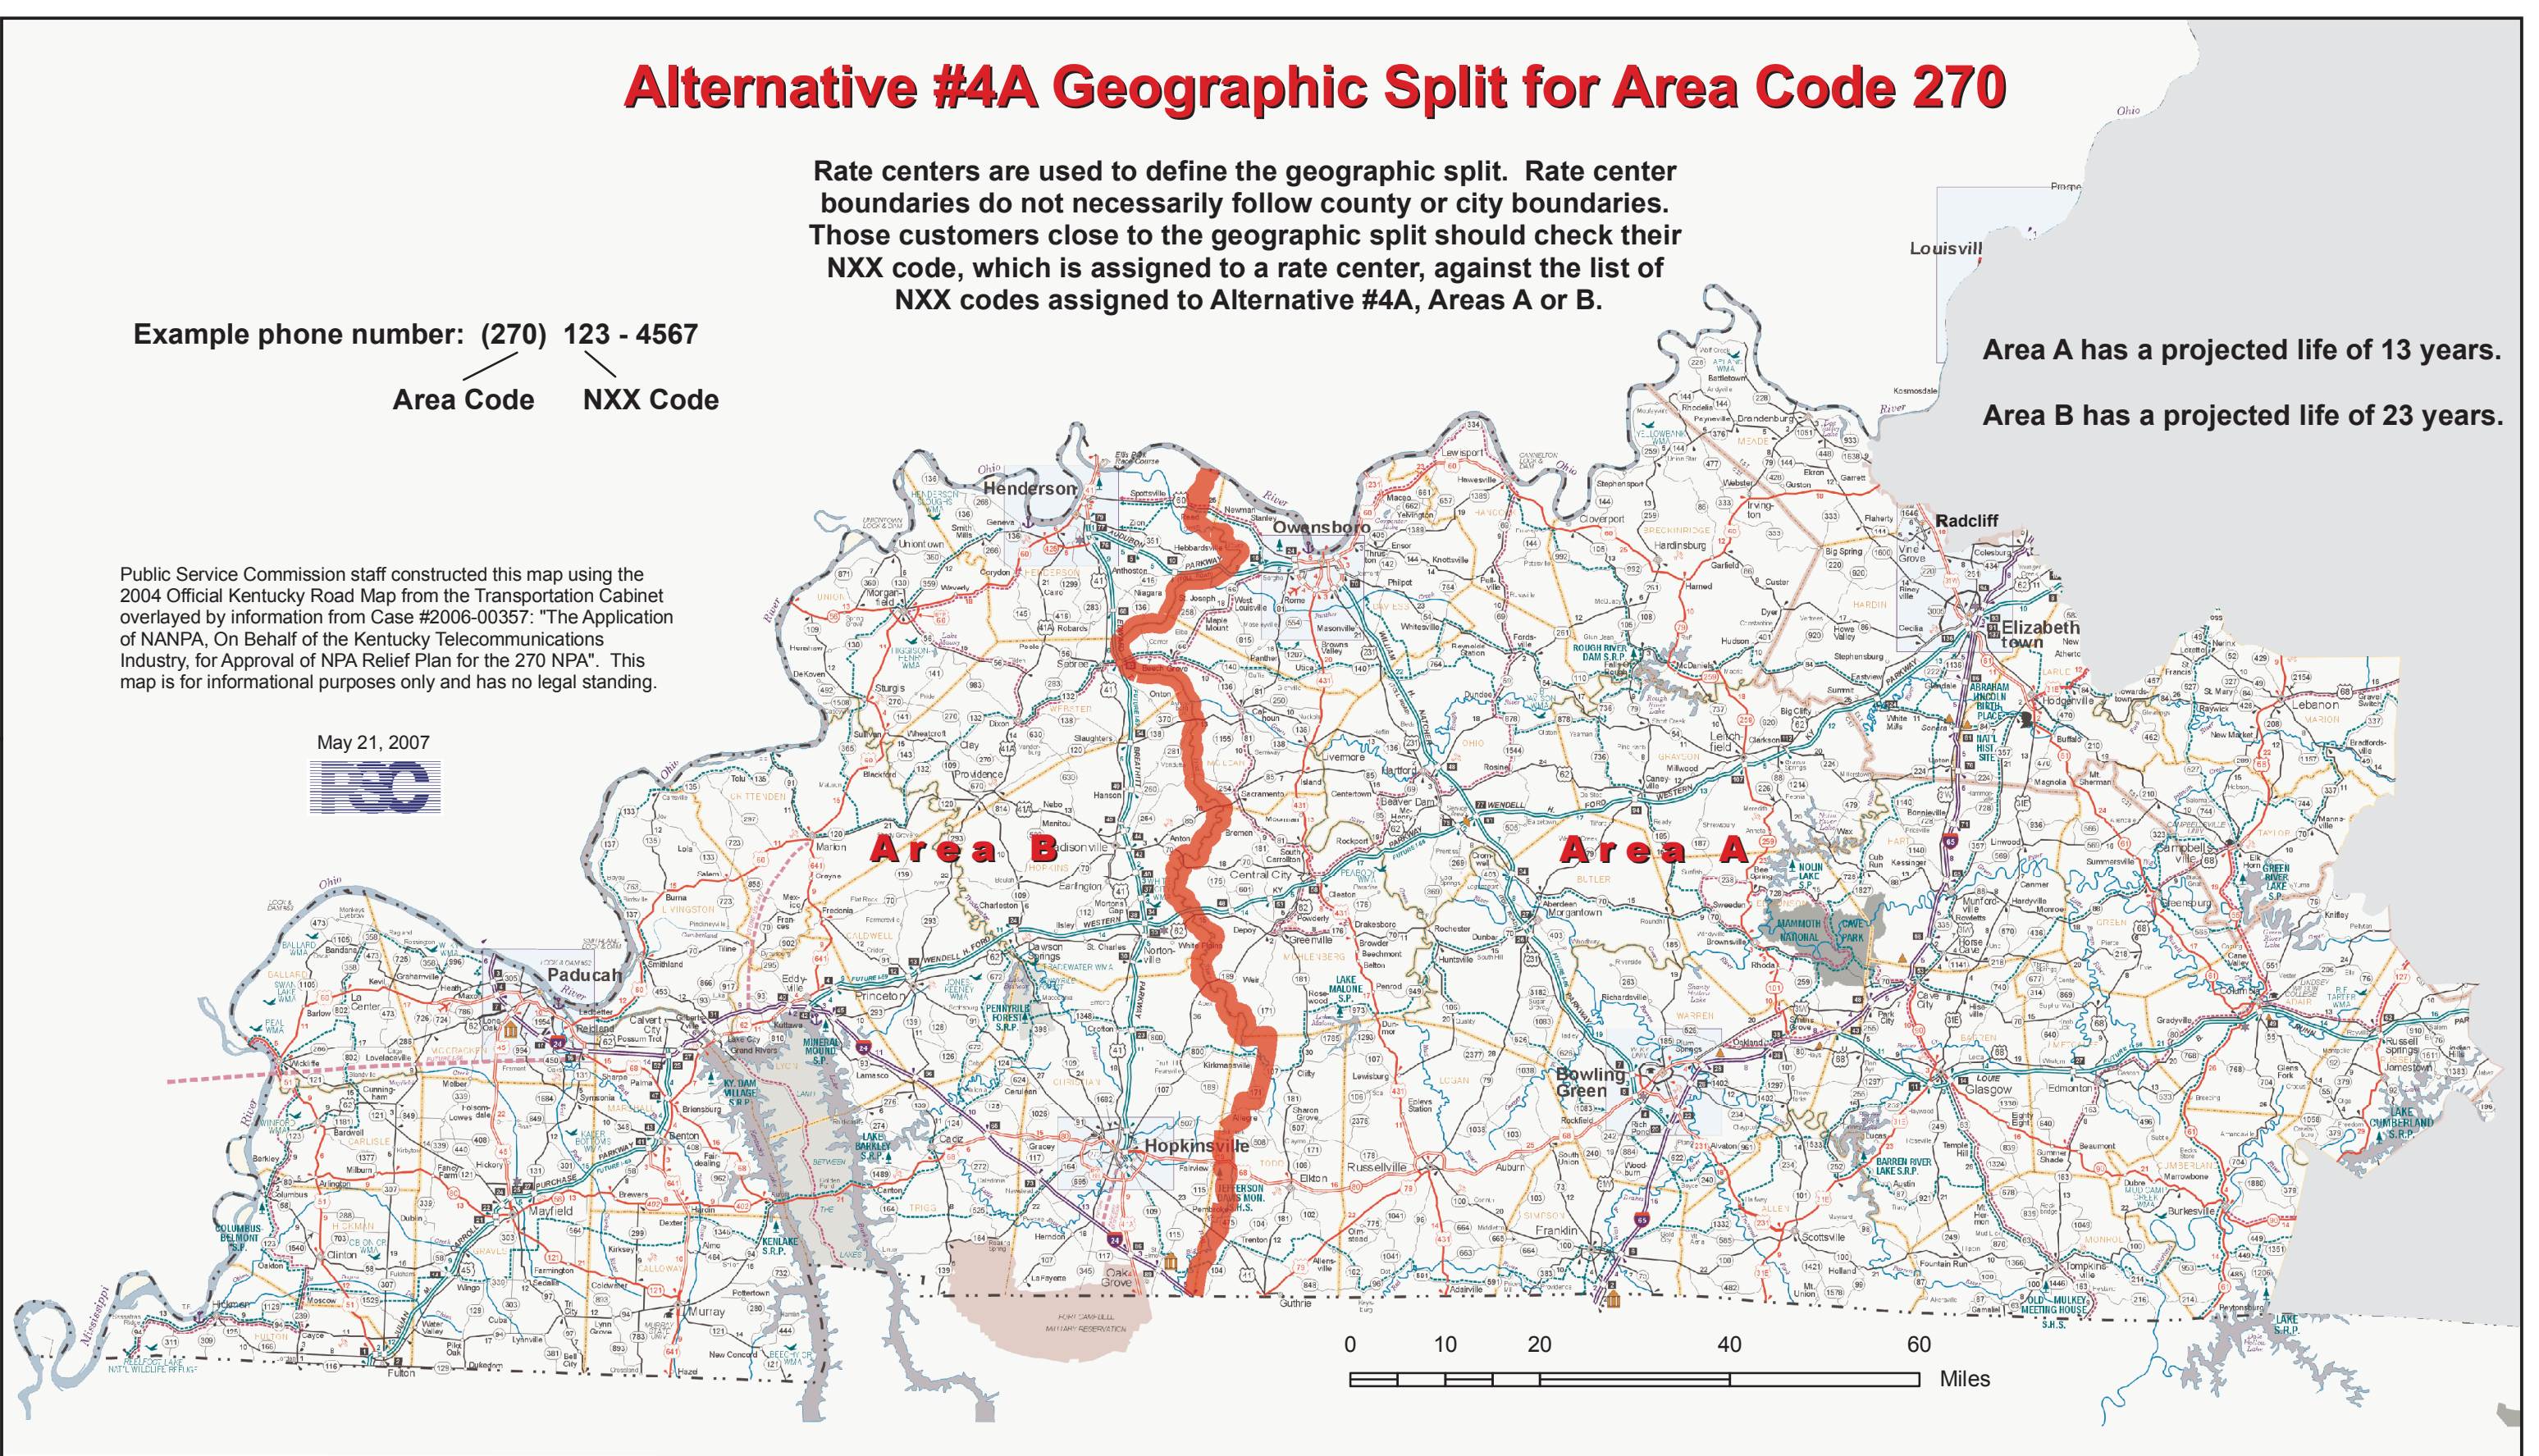

Rate centers are used to define the geographic split. Rate center boundaries do not necessarily follow county or city boundaries. Those customers close to the geographic split should check their NXX code, which is assigned to a rate center, against the list of NXX codes assigned to Alternative #4A, Areas A or B.

Example phone number: (270) 123 - 4567
